Isaiah 45:21-25

God is the source of all power and of eternal life; hope is found in the Lord alone.

Philippians 2:5-11

Jesus Christ is Lord and Savior, perfect human and fully God; it is a statement of faith which emphasizes God's glory through the second person of the Trinity.

John 12:31-36a

Even through shameful crucifixion, God in Jesus exerts great attraction to humanity. The light of truth shines through earthly declarations of darkness.
